# Live Chat

We know that not everyone has time to call us when they have important questions so to combat that, we have recently introduced Live Chat.

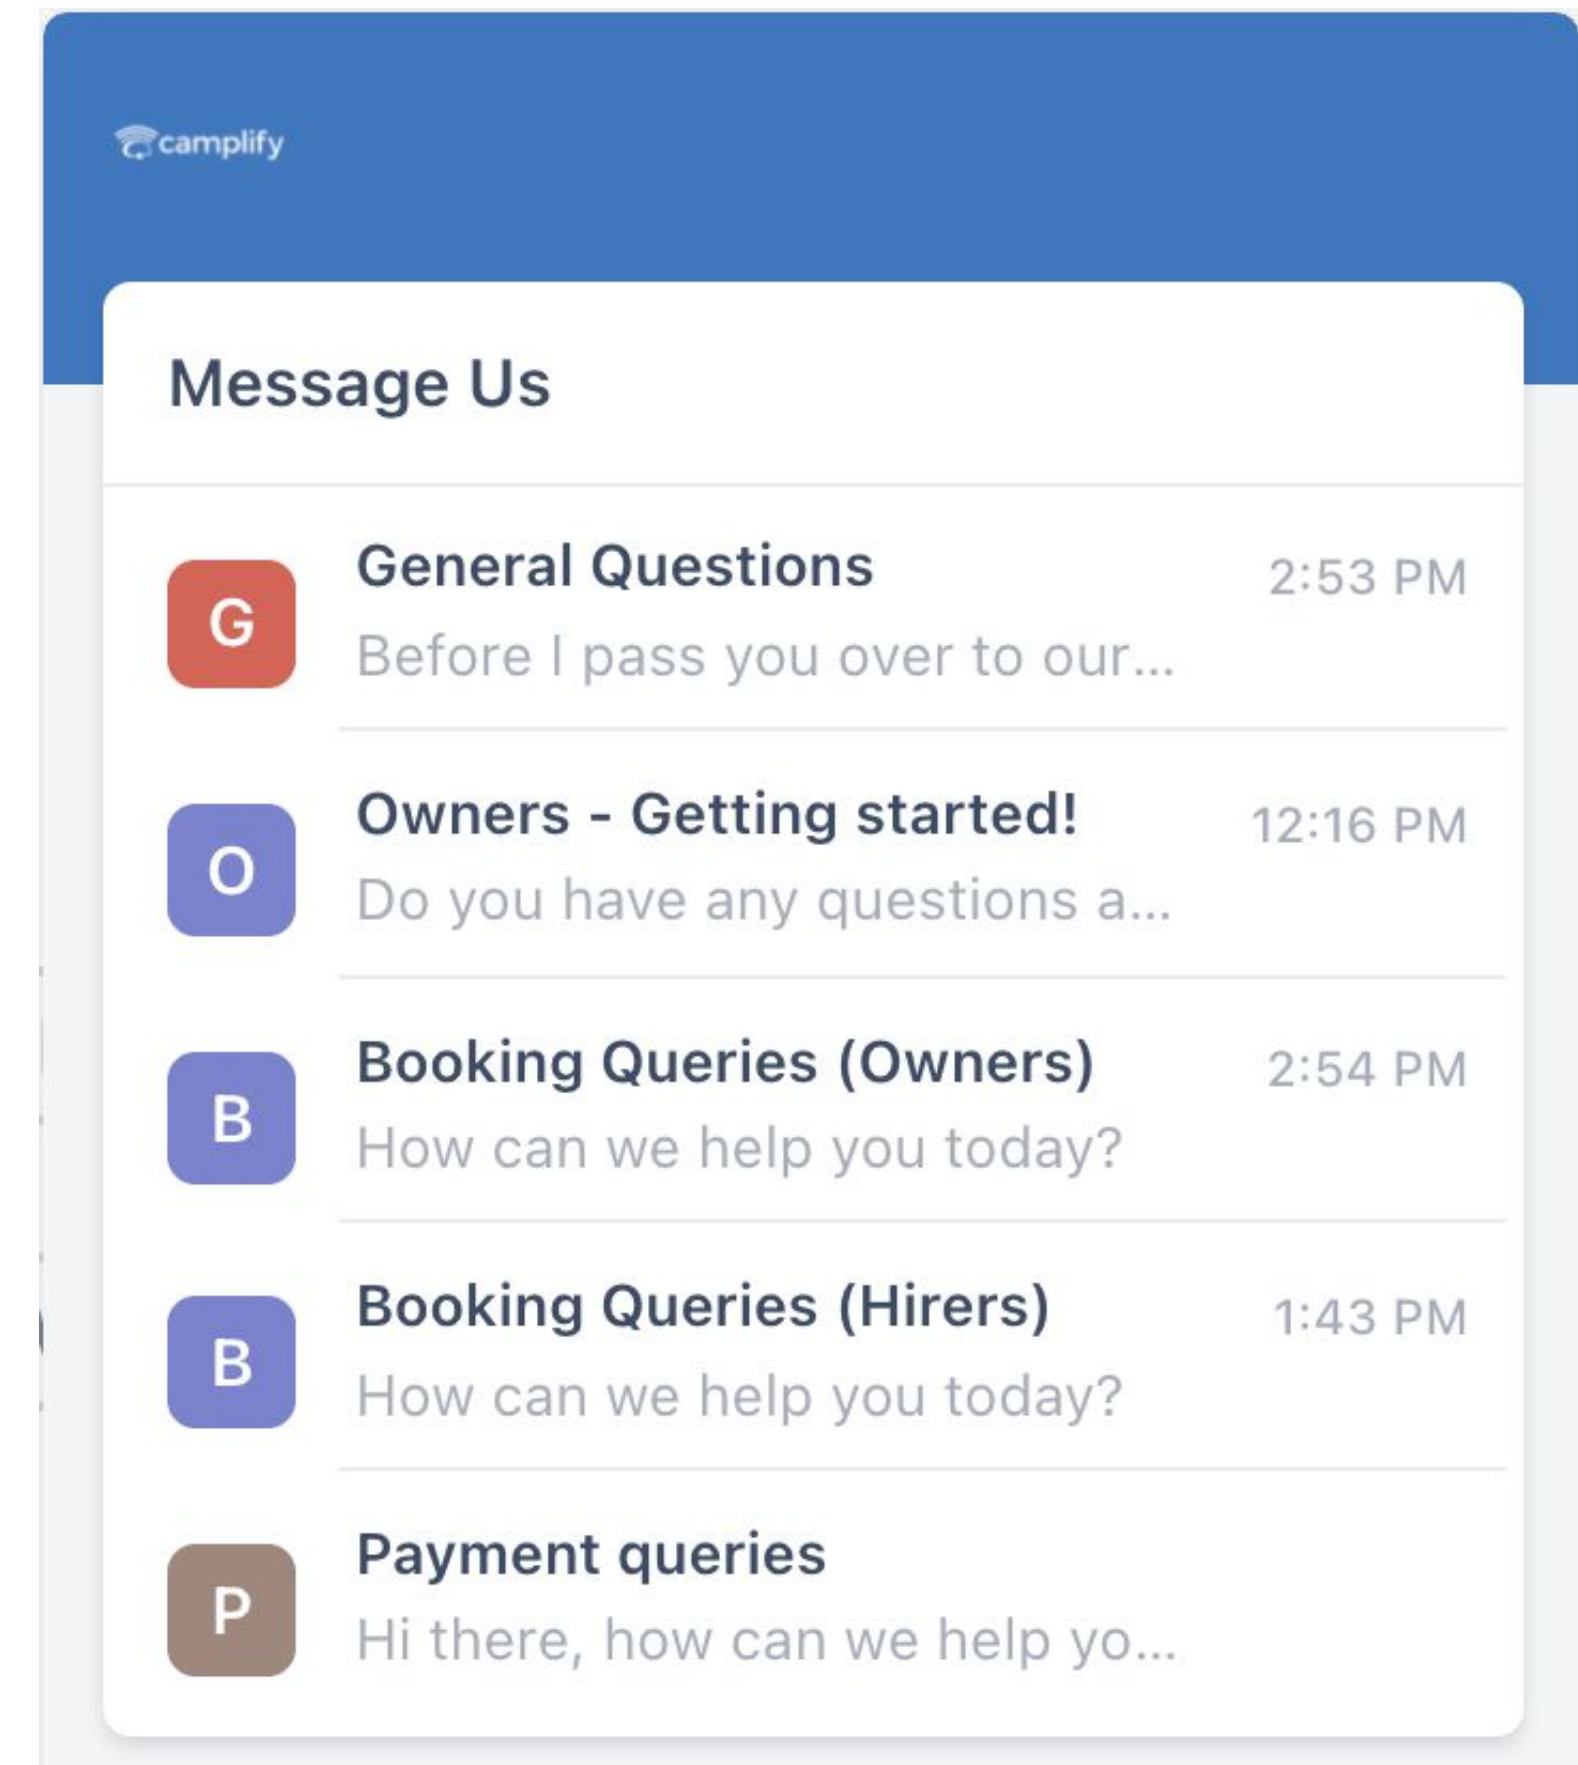

Live chat can be used for a variety of things:

- General Questions
- Owners – Getting Started
- Booking Queries (Owners)
- Booking Queries (Hirers)
- Payment Queries and more...

Instead of calling, use the live chat feature for a faster result!

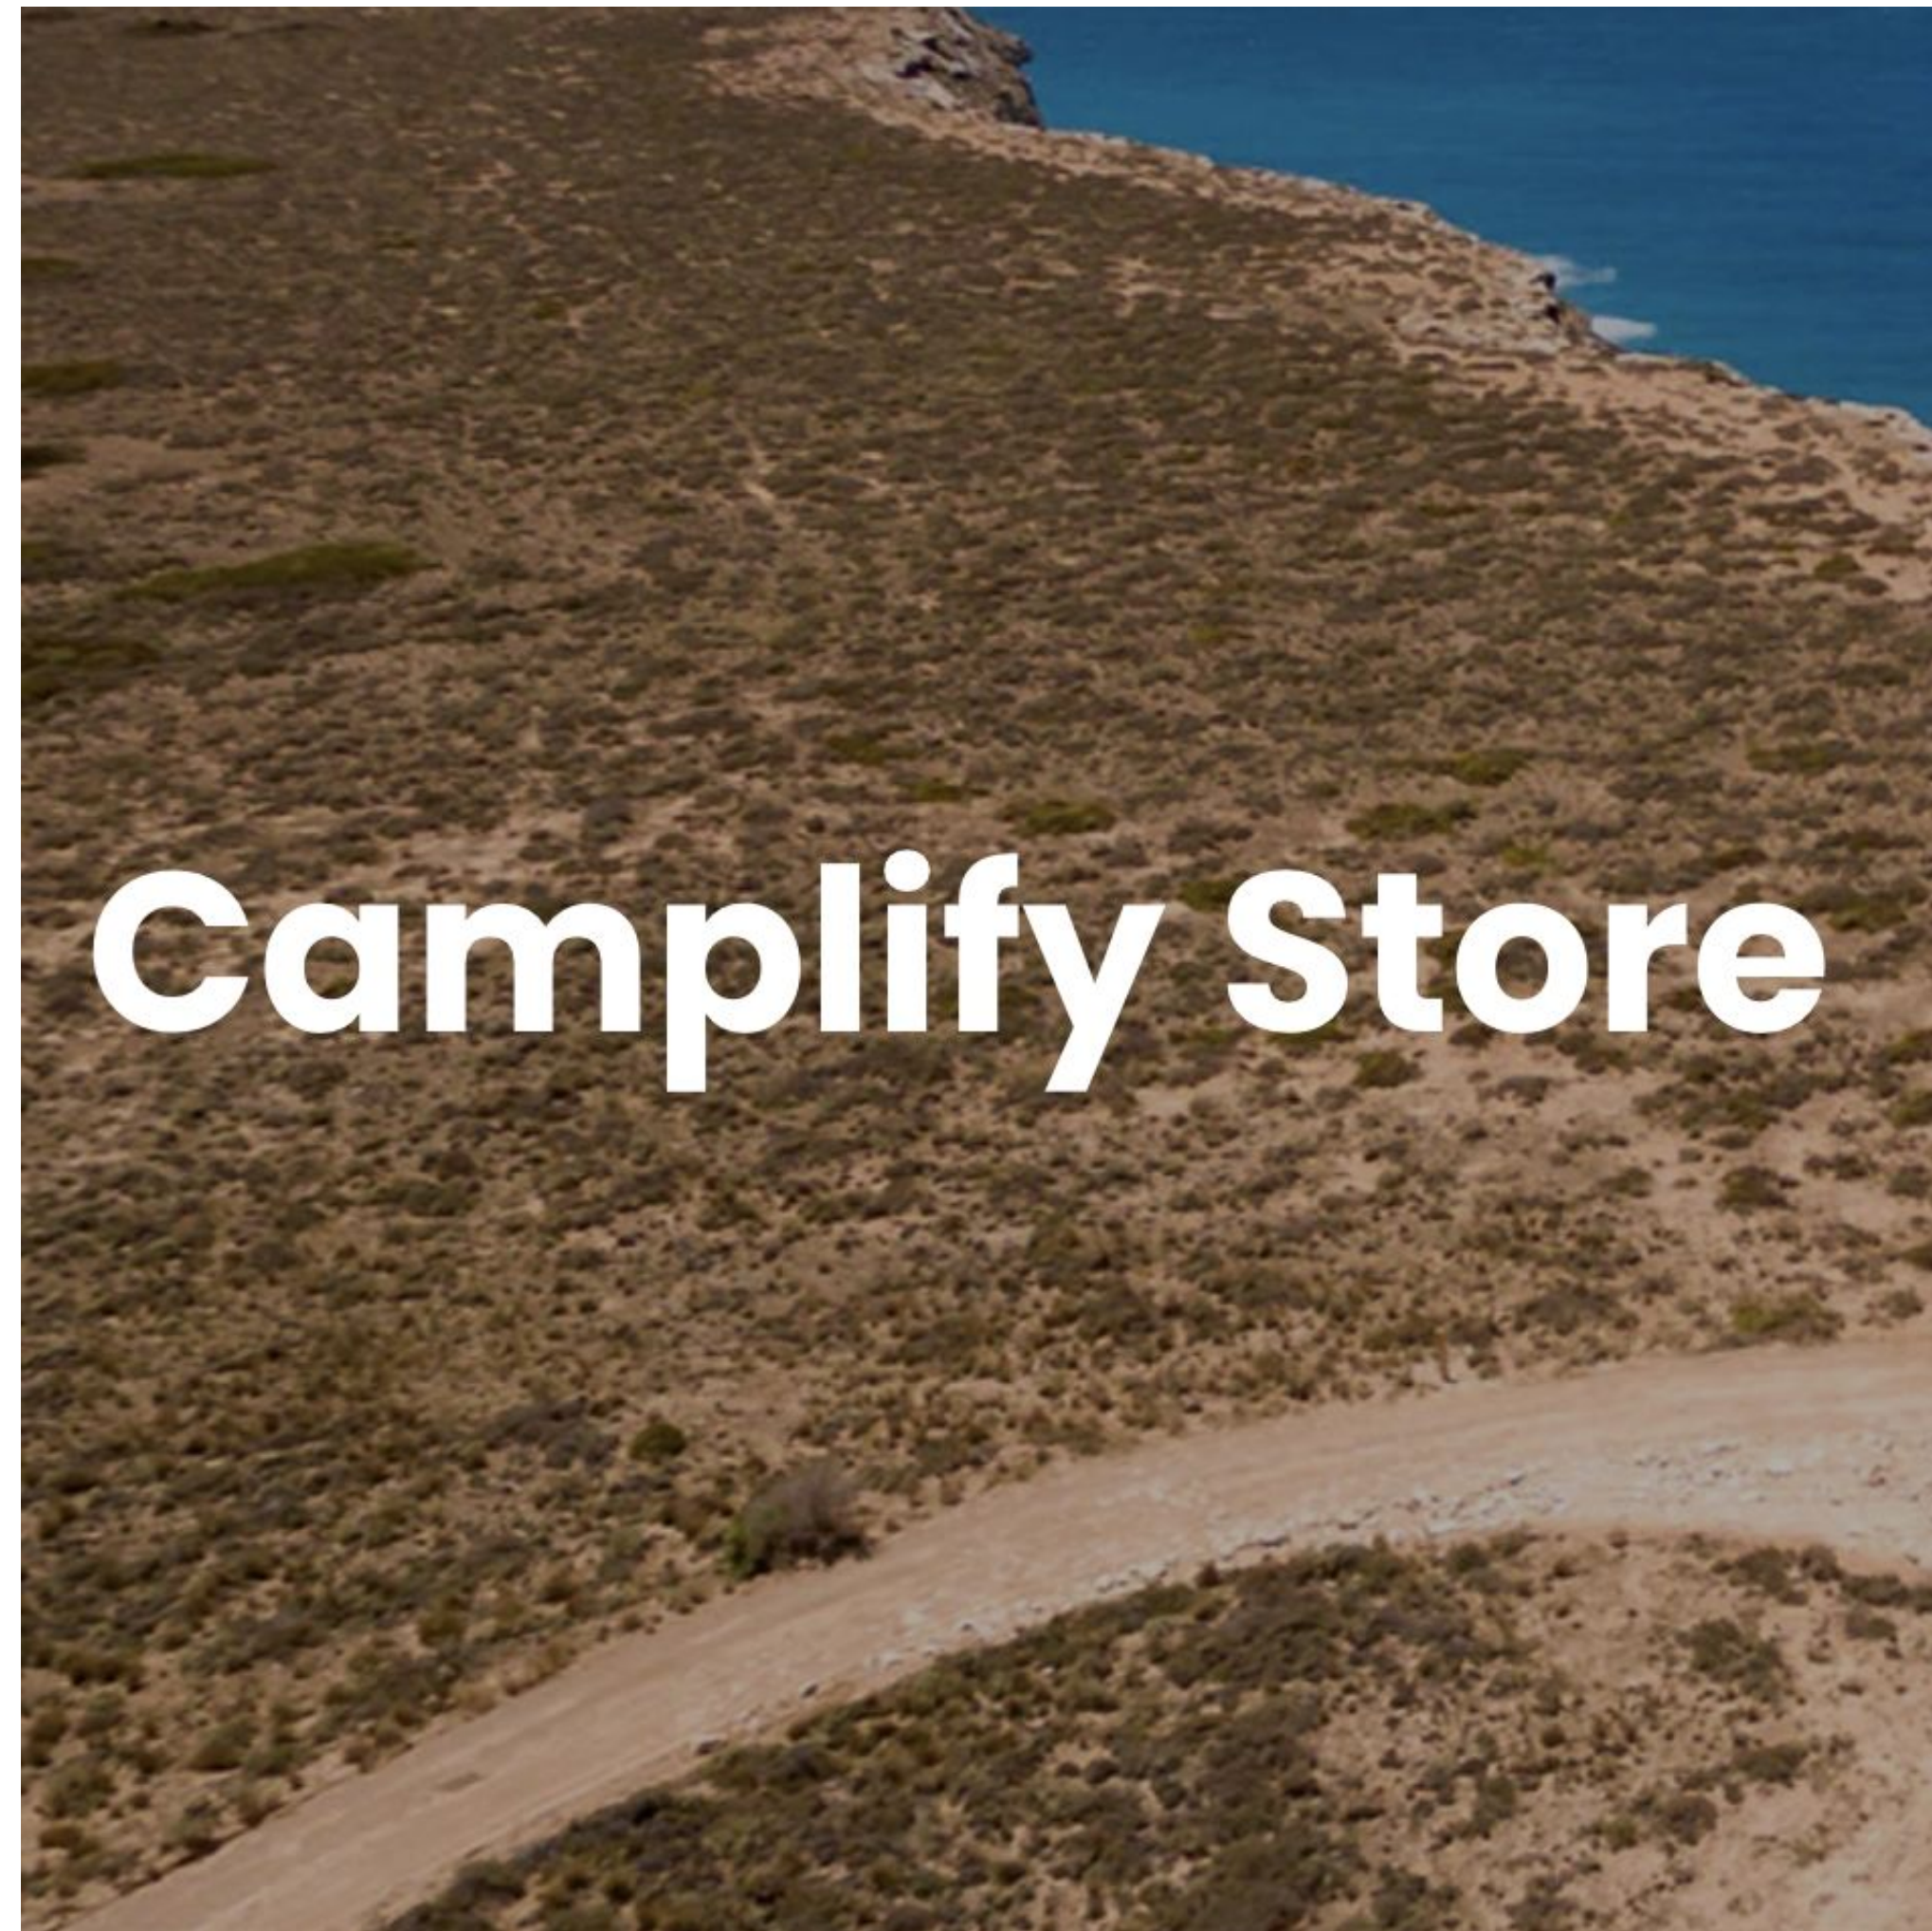

To access live chat, jump online and click on your Dashboard.
